Name : Kwong Shiu Han, Konnie
School : SH
Course Code : 3JT22F2
Teacher : Wong Mee Sze
Article : Tissue Case Cover

Key Points : 1/ Design and colour
2/ Woven fabric
3/ Use of zig-zag machine stitches (creative sewing)

Remarks : The bookmark has a special shape which looks like lips, and the color combination plus the ribbon make up a remarkable pattern. In short, this is a promising piece of work.
